## VERSE

G D

So long ago, I don't remember when

F#7 Bm A

That's when they say I lost my only friend

G D

Well they said she died easy of a broken heart disease

F#7 Bm A

As I listened through the cemetery trees

G D F#7 Bm A

## VERSE

G D

I seen the sun comin' up at the funeral at dawn

F#7 Bm A

The long broken arm of human law

G D

Now it always seemed such a waste she always had a pretty face

F#7 Bm A

I wondered how she hung around this place

G G F#7 F#7

Hey

## CHORUS

G

Come on try a little

D

Nothing is forever

Em7 A

Got to be something better than

In the middle

And I can't break away from this parade

But there's got to be an opening

Somewhere here in front of me

F#7 Bm

A

Through this maze of ugliness and greed

G

And I seen the sun up ahead

D

At the county line bridge

F#7

Bm

A

Sayin' all there's good and nothingness is dead

G

We'll run until she's out of breath

D

She ran until there's nothin' left

F#7 Bm

A

She hit the end-it's just her window ledge

G G F#7 F#7

Hey hey
